Subject: Opportunity

Hi David,

I wanted to let you know that OW-OWOW-WB has a GS-15 detail (120 days) open and that they are interested in me applying. I would like to consider the opportunity but also want to maintain the IOGCC and STRONGER work. In brief conversation, they seem open to me maintaining a few priority projects under the energy heading. Would you support a 120 day detail if I were selected? I also would like to be in my regular position when a new RA is selected. Any insight or thoughts is appreciated.

Thanks so much and have a wonderful weekend.

Taim.
